

Location Buenos Aires

Traveling by rail, by air and by car

BOSCH

By rail

There are four train terminals that connect the Capital Federal with the suburbs and the rest of the country: Retiro, Constitución, Once and Federico Lacroze. Up-to-date information on local transportation, schedules and prices is available at www.metrovias.com.ar and www.sbase.com.ar

By air – Ezeiza airport

Taxis are available from outside the terminal. Alternatively you can rent a car or take the shuttle bus. Shuttle buses are quick, economical and 24 hours from the airport. The company Manuel Tienda Leon (Avenida Santa Fe 790, y Esmeralda, Retiro) has a stand in the arrivals hall, outside the terminals and also in the city centre. You can be dropped off outside your accommodation, the relevant terminal, or else at the office in Santa Fe.

By car

Parking spaces are available for our visitors and customers.
