BOSCH

By air – Joinville airport

Joinville airport serves only domestic flights.

It is located 13 km from downtown, 75 km from Navegantes Airport, 110 km from Curitiba International Airport and 163 km from Florianópolis International Airport. Travel from and to the airport is performed mainly by taxis and private vehicles. Car rental service is available at the airport.

By car

On highway, Joinville is 135 km away from Curitiba on the BR-101 and 184 km from Florianópolis, the state capital. Parking spaces are available for our visitors and customers at street level.
