Location **Châlons-en-Champagne**

Traveling by rail, by air and by car

By rail

Châlons is served by the TGV (high-speed train) network with service to and from Paris Gare de l'Est. Thanks to the TGV-Est, Châlons is just about 55 minutes away from Paris. Up-to-date information on local transportation, schedules and prices is available at www.sncf.fr

By air

Châlons-en-Champagne is about two hours away from Paris, Metz and Luxemburg airports. If arriving from Paris-Charles de Gaule Airport, you can get on the TGV coming from Aéroport Charles de Gaulle 2-TGV and get off at the Champagne-Ardenne TGV station that is close to Reims. From there you can take one of the train connections to Châlons-en-Champagne Gare (main railway station). Local transportation is provided by Sitac Bus.

By car

Châlons is located at the intersection of two important highways: A4 (Paris-Strasbourg) and A26 (Lille-Lyon) enabling you to reach us from all major cities of Europe in less than six hours. Parking spaces are available for our visitors and customers
